

WANT TO MAKE AN IMPACT?

Volunteer with Community Consulting Teams of Boston

CCT is a 501(c)(3) nonprofit that, since 1990, has connected 200+ Boston-area nonprofits with 1,000+ volunteers to clarify their mission, evaluate new service opportunities and marketing approaches, and improve operational efficiency.

CCT allows me to make a meaningful impact for non-profits by utilizing my business skills. I receive as much, if not more than I give.
